REPUBLIC OF THE MARSHALL ISLANDS

The Tan Holdings Corporation/Luen Thai Fishing Venture Ltd. 13th Annual All Micronesia Fishing Tournament is proving to be one of the finest and well attended thus far. To our visitors, on behalf of the Republic of the Marshall Islands, welcome! While you are here, I invite you to take the time to experience and enjoy our Marshallese way of life, on land and in the ocean.

This tournament is one of the best in the region. As proven in the past, every participant joins this tournament as winners-this year is no exception. I hope that the occasion of this tournament will provide one and all with the opportunity to renew old friendships, establish new ones, and savor the joys of camaraderie and competition.

A very special congratulation to the Marshalls Billfish Club for another successful international fishing event and we salute its innovative founders, sponsors, and club members for an association that has simply become a Marshallese institution.

For our visitors and spectators, come out, cheer, and enjoy the friendliness of the Marshallese people.

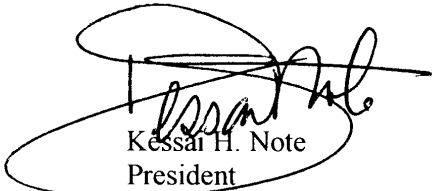

Needless to say, in our region fishermen represent a sacred part of our heritage, that is, our traditional knowledge and customary values of sharing and caring for one another and especially our environmental resources. May we continue to care and enjoy what is truly a part of us!

Finally to the anglers, may each of your catches be bountiful and rewarding.

Tight lines and safe fishing!
