

ings Corporation/Luen Thai Fishing Venture.

So, with Pohnpei team No. 2 taking first place in the prestigious competition, you wonder who came second? Pohnpei team No. 1! Tretnoff's mix 'n match haul of marlin, tuna, wahoo, and barracuda gave them 554 points.

Third place went to the Nauru team, captained by Sean Oppenheimer. All boats, except for the Billfish Club's No. 2 team and one of the two Taiwan teams, caught fish during the tourney.

On Monday evening, all the fishermen and their friends scrubbed down and smartened up for the traditional banquet and the much-awaited giving out of the \$10,500 in cash prizes. Held at the Marshall Islands Resort poolside and emceed by local Kirt Pinho, most teams flew home on Tuesday promising to be back for the lucky 13th tournament in 2005.
